Whatever did not fit in with my plan
did lie within the plan of God.
I have an ever deeper and firmer belief
that nothing is merely an accident
when seen in the light of God,
and that my whole life
down to the smallest details
has been marked out for me
in the plan of divine Providence
and has a coherent meaning
in God’s all-seeing eyes.

May marks the end of the regular season and the beginning of the playoffs and championships in the MIAA. This spring mother nature has been kind to us, and there have not been many cancellations or reschedules because of rain. However, please check online to make sure you have your son’s most up-to-date schedule. The sports hot-line will be updated each day after twelve noon with any changes to both practice and game schedules in the event of inclement weather.

The countdown has begun for the end of this school year and preparing for 2012-2013. A reminder to students who have medicine in the health suite, please pick up your medication by Friday, June 8. Any medicines left in the health suite after June 8 will be destroyed.

For our incoming freshmen and transfer students, it is mandatory that a physical is completed between June 1, 2012 and August 5, 2012 (no exceptions). Health forms will be mailed to freshmen this month while transfer students will receive their forms from the Admissions Office. All new students must have their current physical and immunization record on file in the health suite by the first day of school. If your son is trying out for a fall sport, the physical must be turned in prior to the first day of tryouts. All returning students can obtain health forms on our website.

May is National Youth Traffic Safety Month. Traffic crashes remain the leading cause of death for teens. More teens die during the summer months than at any other time of the year. Here at MSJ we honored Youth Traffic Safety with our Teen Distracted Driving Summit last month. Over eighty students from MSJ, Seton-Kough, and Archbishop Spalding attended a day of great speakers and demonstrations centered around safe driving. Please talk to your teens about not using their cell phones while driving, to always wear their seat belts, absolutely not drive impaired or drive with someone who is, and watch their speed. Please remember when you’re on the road – you’re off the phone!

The Parents’ Corner
Mrs. Mary Wiedel, Director of Parent Relations

The countdown has begun for the end of this school year. The seniors are counting the minutes until their Senior Projects begin next week. For the rest of the students, there is a little over a month left until exams begin. So now is the time to begin encouraging your son to prepare for finals. For some students their efforts will pay off by securing that “A” average for the year. For others, it is a do or die effort to avoid summer school. The traditional hot summers in Baltimore should help motivate the most reluctant student to push himself to bring up a low average.

Some suggestions to support your son in preparing for the end of the year:

1. Discuss what his teachers plan on covering on the final. If your son doesn’t know, tell him to ask the teacher.
2. Have him gather his handouts and begin reviewing.
3. Encourage him to attend the National Honor Society tutoring sessions held on Tuesdays and Wednesdays after school 2:45-3:30 p.m.
4. Provide a conducive study environment. Make sure he turns off all distracting media/cell phones.
5. Have him schedule his study times on the May calendar.

In conclusion, it is your son’s responsibility to make the most of his education; however, parental guidance is critical to students achieving to the best of their abilities. So guide him well!

Text Book Buy Back Information

Book buy back or “EZ-Drop” will take place during two week-long time periods. One week in May for seniors and another week in June for underclassmen.

For parents not familiar with the EZ-Drop method of book buy back, here is a quick overview:

EZ-Drop is offered by MBS Direct, our book partner. Students sell their books back to MBS Direct on-line by entering the ISBN’s of the texts they wish to sell. After the books have been logged by the student or parent, a price quote is generated, and printed in duplicate. The books and quote are then returned to the MSJ school store. We then box the books and prepare them for shipping. All shipping expenses are paid for by MBS Direct. Please visit this link for more details: [http://www.mbsdirect.net/ezdrop/index.php](http://www.mbsdirect.net/ezdrop/index.php)

MBS will only buy back books we are using in the upcoming school year 2012-13. Do not sell the following titles:

- “Bedford Handbook” (All), “The Bible” (All)
- “World History: The Human Experience” (Freshmen), “Health” (Freshmen)

**Senior buy back event dates:**
Monday, May 21, through Thursday, May 24, 10:00 a.m.-2:00p.m.

**Freshman, sophomore and junior buy back event dates:**
Monday, June 4, through Thursday, June 7, 9:00 a.m.-12:00 noon
