Seminar

The STEM seminar is an academic summer enrichment experience for students entering the 10th or 11th grade only

Dates and Times
June 15 – June 19, 2015
8:30 am – 12:30 pm
The STEM Enrichment Seminar is a five-day experience that emphasizes fun and learning and will challenge students to exercise their creativity, critical thinking and problem-solving skills as they explore topics in physical and environmental sciences, biotechnology, engineering and applied mathematics through a variety of hands-on activities, laboratory investigations and contests.

**Eligibility**
The STEM Seminar is open to rising 10th and 11th graders from Mount Saint Joseph or other Catholic and non-public schools.

**Tuition**
Payment of $275.00 is required with registration. Checks are payable to Mount Saint Joseph.

**Registration**
Parents or students with consent of their parents may register by mail or in person. A separate registration form is included in this mailing or can be found at the end of this pdf document. Space is limited for the Seminar and will fill on a first-come basis.

**Dress code**
Dress code is casual – collared shirt with pants or shorts. Modest dress is required. Not allowed are denim jeans, tee-shirts, sweat pants, running pants, flip-flops, caps or headgear and earrings (males). The School reserves the right to determine what constitutes proper dress.
